Khurana (Sunil Grover) together with the producer of the film goes to all possible government agencies for help on this issue, but no one is ready to help them, as Raghav - an influential man. Hurana knows that only a man can now save Sia from Ragawa, Ronnie (Tiger Shroff). The film then goes into flashbacks where he saw Ronnie and Sia traveling on a train. Raghav also travels on the same train. Raghav eyes Sia and ask your people to get her details. At the same time, Ronnie misses his train due to a misunderstanding created by Sia, causing her to blame. Ronnie attends the Guruswamy School (Grandmaster Shifuji Shauriya Bharadwaj) in Kerala. According to his father's letter, Ronnie's father considers him a baaghi (one who never obeys anyone's orders). Thus, asking Guruswami to make him a good man. Ronnie meets Sia. Sometimes later they fall in love. Sia gives him a precious ring (given by her father) and asks him to always keep it with him. Meanwhile, Raghav asks Sia's hand from Huraana, who is ready to marry her daughter with Raghav for a certain amount. Later, Khurana sees Sia's ring in Ronnie's hand, and says it to Ragawa. Who believes he'll even kill Ronnie if he doesn't break his relationship with Sia. Guruswamy hears this and refuses ragawa to do it at all costs until he is alive. Raghav later poison and kills Guruswamy. Huraana, along with Raghav, arrests Ronnie to police and is deliberately on bail so that Sia does not believe over Ronnie, who tells her the real drama planned by her father. Huraana even injures herself and shows Sia, a duplicate of the ring she gave Ronnie. So she could hate him. Back now, Ronnie reaches Bangkok. Along with the help of Harry (Sanjay Mishra), he visits a local fighting club, and defeats the famous Lord's fighter to attract some attention. The next day, some local thugs pursues him, and in an action-packed combat sequence he defeats them to get the address of Viju (a special Raghav man). He breaks into Viju's house and sets his wife in point-blank range asking for Sia's whereabouts. Ronnie then visits the hospital where Sia is hospitalized Raghav, and in disguise the doctor manages to get into the ward. Sia faints as a nurse, and in her disguise they are both trying to escape from the hospital. They're caught by Raghav. But somehow they managed to escape from the hospital. There, on his way back to India, Sia sees his ring still in Ronnie's hand. Ronnie then unfolds a real drama planned by her father and Raghav. They fall in love again. However, Raghav again caught them both, and Viju shoots Ronnie, who falls into the lake. However, it is sometimes later seen that Ronnie is alive and coming back, since no bullet has been fired by Viju (as Viju believes Ronnie is to be correct in his place). Raghav kills Viju. Ronnie successfully reached Ragawa. However, Raghav overpowers him. But when Ronnie hears that only Ragav killed Guruswami, he uses Guruswami tactics, and in the jaw sequence, he kills Ragawa. Later, Ronnie and Sia attend the Guruswamy School, where the Guruswamy statue now stands instead of his place.
